

Services and Ports

Services

Running Services for the ServerLink HTTP / HTTPS / HTML5 / SSH:

Image Name	User Name
srvterminal.exe *32	SYSTEM
http.exe *32	SYSTEM
HTML5service.exe *32	SYSTEM
SSHTunnel.exe *32	SYSTEM

Ports Considerations (Local Machine and Firewall / Router)

ServerLink only requires either Port 80 or Port 443 to be opened.

Port 3389 can remain closed.
